

CUSTOM TRAILERS

ONE-OF-A-KIND TRAILERS FOR YOUR SPECIFIC NEEDS

Are you looking for a customize trailer for your operation? Trailtech specializes in built for purpose, unique one-of-a-kind trailers for your specific needs. We work closely with you and your team to design, manufacture and deliver custom trailers that are strong, reliable and TrailTOUGH.

FEATURES

Some examples of custom trailers that we've completed include:

- Reel trailers for utility spools
- Mini oil float trailers
- Shoring & Shields trailers
- Pole trailers
- Tiny Home base trailers

We make the custom trailer process easy for you. We'll talk to you to determine your needs and then will design a trailer to your specifications. Custom trailers take between 6 – 8 weeks from start to finish and come with our 5 year warranty.
