

PREMIER SERIES

REDEFINING QUALITY

When you require the best, the Premier series trailer will be your choice. The Trailtech Premier series trailers are manufactured using the latest in trailer technology and design. The HSS tubing main frame and crossmembers are carefully matched to the GVWR of each trailer, ensuring proper weight to strength ratio required for maximum performance.

L135T, L270T & L370T comes standard with a Tapered deck end and Tilt deck.

FEATURES

Dove Tail & Ramps

The unique pivot dovetail flip up ramps allow even hard to load equipment to be loaded and unloaded with ease. The ramps are adjustable side to side, ensuring that a variety of equipment can be accommodated.

Tool Box c/w Locking Lid

All tandem axle Premier trailers feature a tool box c/w locking lid in the hitch area for your convenience.

Adjustable Ball Coupler / Pintle

Hooking up the Premier trailer is now easier than ever with the adjustable ball coupler /pintle. This feature allows you to raise or lower the height of the coupler to match you vehicle's hitch height. Just another example of Trailtech ingenuity.

Tilt Deck

The tilt deck measures 82.5" between fenders, allowing for those wider loads. Simply drive your unit up onto the deck, and when you are over center the deck will start to go into transport mode on its own.

Fender Guard

Tie your skis down safely and securely without damage with our rubber covered ski tie down bars and durable treated wood decking
